SUMMER PROGRAMS

Guide

for Children, Teens, & Families!

LOUISVILLE FREE PUBLIC
LIBRARY

JUNE 1–AUGUST 3
[LFPL.org/SummerReading](https://www.lfpl.org/SummerReading)

LFPI's Summer Reading Program helps children and teens avoid summer learning loss by encouraging them to read for fun over the summer. And this summer, *A Universe of Stories* awaits at the Library!

Register online at LFPL.org/SummerReading

Presented by the Library Foundation, the Library's annual Summer Reading Program is a free 10-week program that encourages kids up to fifth grade to read for fun over the summer by offering prizes and incentives. Every school-age child who reads at least 10 books, and every preschool-age child who reads or has read to them 20 books, will receive a plush alien pencil pouch, along with passes to local attractions like the Kentucky Science Center, Squire Boone Caverns, Slugger Museum, a Bats baseball game, a Racing Louisville soccer game, UofL sports, and more.

Teen Summer Reading is open to all 6th-through 12th-graders. Simply read six books during the summer and receive a tech organizer, as well as passes to local attractions and U of L games.

Help us celebrate the start of another amazing summer at the **Summer Reading and Cultural Pass Kickoff** on Saturday, June 1, 10 a.m. - 1 p.m., at the Main Li-
