

Celebrate another successful Summer Reading Program all this week at the Library

Summer Reading runs through Saturday, August 3 at all library locations

LOUISVILLE, Ky. (July 29, 2024) – What better way to finish the summer than with a celebration? The Louisville Free Public Library’s Summer Reading Finales take place this week at all library locations. Come enjoy magic shows, space-themed activities, snacks, storytelling, and grand prize giveaways!

If you haven’t finished Summer Reading yet, there’s still time: every child (newborn to 5th grade) and teen (6th to 12th grade) who completes Summer Reading by August 3 will receive either an alien pencil pouch (kids) or a tech organizer bag (teen) and passes to local attractions like the Kentucky Science Center, Louisville Bats Baseball, and more! Children and their families also have until August 4 to use their Cultural Pass, available for pick up at any library branch.

Summer Reading, presented by the Library Foundation, is absolutely FREE. Register your child online at www.LFPL.org/SummerReading, or fill out a paper form at your nearest branch now through August 3. To find a Finale at a branch near you, visit www.LFPL.org/events or call (502) 574-1620.
